Letter from M.R.Ry. M.S.Jagannayakulu Nayudu Garu B.A., Revenue Divisional Officer, Mangalore Division Ref. No. C. 2159-37-M dated 13th May 1937 to the Commissioner, Mangalore Municipality.

Establishment - Temporary - (South Kanara) -Mangalore Municipality -Land Acquisition-Special staff -Further retention.

Reference:- G.O.No.Ms. 184 Revenue Department, dated 21-1-1937 communicated with Collector's endorsement D.Dis. No. 6275-36 dated 25-1-1937.

The Government have sanctioned the retention of the "Special Staff" for the work connected with the acquisition of lands for the Mangalore Municipality in G.O.No. Ms. 184 dated 21st January 1937 till 23.7-1937. The Municipal Land Acquisition work is still heavy enough to justify its further retention till, at least, another six months from 23-7-1937, i.e. till 23-1-1938.

2. There are now 13 land acquisition cases of the Municipality pending disposal on my file. Of them, two are awaiting the publication of Section 4(1) notifications and one case is awaiting the publication of Section 6 declaration, in the Fort St. George Gazette, while four cases are under the award enquiry stage and six cases are pending publication of the notifications under Section 13 of the Madras Survey and Boundaries Act. Among the cases under award enquiry, the thoughest and the most complicated is L.A.Case No. 13/1935 in which lands for widening the Court Road are under acquisition. You are aware that this is a keenly contested case and that I have already received as many as four applications -- demanding references to the Civil Court under Section 49 of the Land Acquisition Act. Consequently, the ordinary routine and other work involved in the case is multiplied. In L.A.Case No.9/1936 (Widening the Coelho lane), I have awarded compensation to the interested parties much below

the amounts they claimed. The parties are of an extremely contentious disposition. It is not therefore unlikely that they will file applications under section 18 of the Act. This means the enhancement of ordinary work involved in the case. Then there are the Section 19 references already made to the Civil Court and awaiting the Court's decision. These are detailed below:

	No. of references made.
L.A.Case No. 19/33 (opening a new road in Kodialbail)	3
L.A.Case No. 22/34 (Widening the southern portion of the Coelho street)	1
L.A.Case No. 28/34 (The Guliga Hithlu Town Planning Scheme)	4
L.A.Case No. 9/35 (Acquisition of a site for a market at Heige Bazaar)	1
L.A.Case No. 2/36 (Rounding a corner of the Kadri Road)	4

The work arising from these references will have also to be attended to by the Special Revenue Inspector until they are finally disposed of by the Civil Court.

3. The "Betterment Enquiry" in the Guliga Hithlu Town Planning Scheme is still pending final decision. It is needless to add that the enquiry in connection with this scheme will create such a deal of work as is beyond the capacity of my ordinary staff.

4. I see from Resolution No. 15 of the proceedings of the Municipal Council dated 27-2-1937, that you are proposing some more acquisitions. If requisitions for these acquisitions are to come shortly, the need for the retention of the Special Staff is too obvious to need further remarks.

5. In view of the above facts, I am of opinion that the Special Staff would be necessary for a further period of at least six months from 24-7-1937. I request you therefore to obtain the Council's resolution agreeing to retain the staff from 24-7-1937 to 23-1-1938 at its cost. A copy of the resolution may kindly be communicated to the Collector direct to save delay in obtaining the requisite sanction of the

the Government to retain the staff.

Copy submitted to the Collector of South Kanara for information.

Extract from the Proceedings of the Mangalore Municipal Council, dated the 14th June 1937.

47. Read letter Ref. C. No. 2159-37-M dated the 13th May 1937 from the Revenue Divisional Officer, Mangalore, requesting to sanction the retention of temporary establishment for the work connected with the acquisition of lands for the Mangalore Municipality for a further period of six months from 23rd July 1937 and the Commissioner's reply to the Revenue Divisional Officer.

Sanctioned for a further period of six months from 23rd July 1937.
